

PACK 2: TOURING CAR SPORTS DRIVING + FORMULA CARS

Our company offers you the chance to enjoy an intensive day simultaneous to a sports driving course with our touring cars and a driving session of FORMULA TOYOTA car for 12 laps around our replica track, guided by our experts. This is all carried out at a tailor-made event

TOURING CAR AND FORMULA CAR DRIVING - Ref. CF1

DESCRIPTION

The marvellous track is a replica of the **RICARDO TORMO Grand Prix race track**, measuring **8 m wide, is the perfect stage**. Participants will learn and put into practice the driving techniques for single-seaters at one of the leading racing tracks at international level. Likewise, on the same day you will enjoy a driving course on our school circuit with our touring cars.

- Participants will have the chance to drive the formula cars in a 12 lap session (6+6) following a guide vehicle driven by an instructor.
- Each vehicle will guide a group of 2 formula cars.
- In order to be able to enjoy this personalised experience, a maximum ratio of 2 guide vehicles and 4 formula cars can be on the track at any one time.
- As a complement to the formula car driving activity, attendees will take a sports driving course.
- Depending on the number of attendees, the pupils will be divided into groups and will change among the different activities.

PUBLIC

Anybody holding a valid Class B driving licence. This activity is particularly suitable for motorsport driving and competition lovers.
