

PACK 5: TOURING CAR SPORTS DRIVING + FORMULA CARS + 4X4

Our company offers the chance to enjoy an intensive day with simultaneous driving courses with our touring cars guided by our experts, and a timed session with formula cars on the Replica Circuit and also a parallel 4x4 activity on our off-road track. This is all carried out at a tailor-made event with duration of 4 hours.

TOURING CARS + FORMULA CARS + 4X4- Ref. CFT1

DESCRIPTION

The marvellous track is a replica of the **RICARDO TORMO Grand Prix race track**, measuring **8 m wide, is the perfect stage**. Participants will be able to enjoy a session driving Formula cars in an environment featuring one of the main circuits at international level. Likewise, on the same day you will enjoy an intensive driving course on our school circuit with our touring cars and an activity on our off-road tracks with 4x4 vehicles.

- In a joint activity featuring Formula cars, attendees will also take an intensive sports driving course using our fleet of vehicles in addition to a 4x4 activity on our off-road tracks.
- Depending on the number of attendees, the pupils will be divided into groups and will change among the different activities until all attendees have done all activities.
