

FORMULA CARS

Our company offers you the chance to enjoy an intensive day driving a FORMULA TOYOTA for 12 laps around our replica track, guided by our experts. This activity is for private individuals or closed groups.

DRIVING FORMULA CARS ON REPLICA TRACK - Ref. FR1

DESCRIPTION

The marvellous track is a replica of the **RICARDO TORMO Grand Prix race track**, measuring **8 m wide, is the perfect stage**. Participants will learn and put into practice the driving techniques for single-seaters at one of the leading racing tracks at international level.

- Participants will have the chance to drive the formula cars in a 12 lap session (6+6) following a guide vehicle driven by an instructor.
- Each vehicle will guide a group of 2 formula cars.
- In order to be able to enjoy this personalised experience, a maximum ratio of 2 guide vehicles and 4 formula cars can be on the track at any one time.
