

## KARTING

If you can get together a group of between 12 and 30 participants, you will be able to enjoy an exclusive day designed to your requirements with a karting endurance race in teams.

Likewise, our track is the only one that offers an **exclusive, optional complement** to your karting race: DRIVING 4 laps in a FORMULA TOYOTA car, guided by our experts for an extra fee of €45 per person.

## ENDURANCE Karting - Ref. KT2

### DESCRIPTION

The marvellous track is a replica of the **RICARDO TORMO Grand Prix race track**, measuring **8 m wide, is the perfect stage**. Thanks to our giant video marker screen, participants can follow the evolution of their times **in real time** while they are **getting ready for their stint** on the terrace next to the track.

We organise your endurance race in line with your requirements:

**Short race:** 10 minutes warm-up (each driver) + 1 hour race (team)

**Long race:** 30 minutes warm-up (team), + 1.5 hours race (team)

### PUBLIC

Recommended for all types of public (over 14 years old). **Powerful karts** with 270 cc Honda 4-stroke engine, fitted with roll-bar and seatbelt to be able to enjoy speed with all safety guarantees. Likewise, with a supplement charge of €45 per person, you will also be able to drive a Formula TOYOTA car.
